Now to Him who is able to do immeasurably more than we ask or imagine, according to His power that is at work at within us...

George Murray
March 4, 2000

Dear Class of 2000,

Wow! Doesn't that sound awesome? "Class of 2000." Century-spanners. Survivors of Y2K. Pioneers of the new millennium. The new century and new millennium will undoubtable be characterized by rapid and relentless change. But underneath it all, certain things will not change: the trustworthiness and authority of God's eternal, written word; the exceeding sinfulness of the human heart; the abundant grace of a holy and loving God made available through the "once for all" death and resurrection of Jesus Christ; the exclusiveness of the Christian gospel; the unchanging commission of our Lord to take the message of salvation to everyone; and the presence and power of the Holy Spirit for service.

My prayer for you, the class of 2000, is that each one of you will prayerfully and carefully seek to constantly be only in that place, vocationally and locationally, where God can best use you to be His channel of redemption to a lost world. For some of you this will be in the market place, for others it will be in "full-time" ministry or on the frontiers of missionary endeavor. Wherever God takes you, and whatever it is that He wants you to do, may you grow more deeply in your knowledge of and likeness to Him, and may He use you to bring many to a saving knowledge of Jesus Christ. And don't forget that He is able to do exceedingly abundantly more than we can ask or even imagine! (Eph. 3:20)

With affection and prayer,
George W. Murray
President
2000

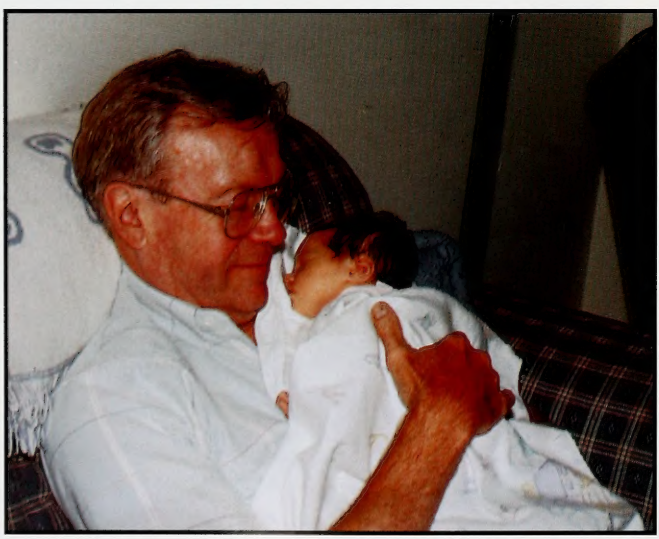

2000 Finial Dedication

Steve Bradley

Associate Dean for Ministry Skill Development for the Bible College

Gal 2:20
"I have been crucified with Christ and I no longer live, but Christ lives in me."

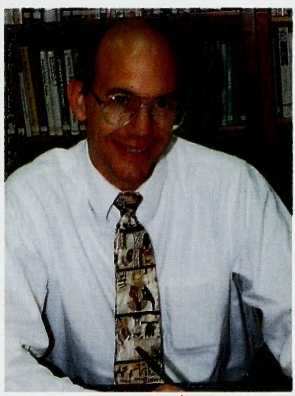

Steve Bradley is a man of faith and integrity who strives for excellence in his life. Faithful to his God, our family and commitments with a heart for missions. He has a great laugh and loves being with our grandchildren, enjoys homemade apple pie, cornbread and singing Majesty with his classes. Pat Bradley

I thank God for the privilege of working with Steve. He is a man of passion for Christ and integrity in Christ. He is the model of what he teaches.

Steve Auld

Passion is a word that comes to mind when I think of Steve. Whether in discussing evangelism, pursuing an academic policy for field education, or singing a song; Steve does it with great passion! It has been a great priveledge for me to minister with Steve in field ed. You embody the truth of Colossians 3:23 Steve!

Rick Higgins

Under Mr. Bradley's leadership, the field ed. program allowed me the opportunity of serving in a low-income housing development. Bible Clubs was a challenge at first, but God used the field ed. program and I discovered that there is no greater joy, for me, than teaching children God's Word.
